Re: Receipt of Rules and Regulations

To whom it may concern:

As of September 28, 2007 our office requires a signed Receipt of Rules and Regulations form from the purchaser before a Right of First Refusal is given.

Please notify the Purchaser that EGPOA's By-Laws and Rules and Regulations (including the Building Code) are available on the internet at [www.emeraldgreenpoa.com](http://www.emeraldgreenpoa.com), and it is the responsibility of the property owner to familiarize him/herself with these documents. (Copies may also be obtained by contacting the office at the number above.)

I have read and agreed to abide by the Building Code, By-Laws & Deeds, Covenants & Restrictions.
